

NUCTECH™ WESPACE III

General Disinfection Cabinet

NUCTECH WESPACE III General Disinfection Cabinet is a newly developed disinfection unit by NUCTECH COMPANY LIMITED. This product innovatively adopts a unique sterile fabric as a physical isolation barrier. Equipped with remote-controllable Ultra Violet (UV) disinfection module, the product quickly disinfects the inner area of the unit and keeps a safe and sterile environment.

WESPACE III provides rapid disinfection for articles that are frequently touched in daily life to reduce the risk mitigation of cross-infection between staff or families caused by droplet transmission and/or by direct contact. This product is suitable for office and home use.
